**Broadway Cab Installs Plexiglass Barriers to
Protect Drivers & Passengers. Ride Local. Ride Safe.**

WHAT: The ground transportation industry has been drastically impacted by COVID-19 and Portland's largest and oldest cab company is taking the lead on implementing new safety measures. Broadway Cab is an essential service, and there are people who still need to get to destinations (grocery store, doctor appointments). Broadway Cab is making the investment to ensure the safety and health of both their drivers and passengers. Ride Local. Ride Safe. Safety measures include:

- Installing plexiglass dividers between driver and passenger
- Masks recommended for both drivers and passengers
- Cashless payment (in cab or on the app)
- Socially distanced seating for passengers (back seat)
- Between ride cleaning

WHERE: Opportunity to interview Steve Hext, General Manager,
Broadway Cab Main Office. 8725 NE Emerson St, Portland, OR 97220

WHEN: Cabs & Vans will be equipped as of Tuesday May 19, 2020
